The Secret Gardens Tour has become a tradition for garden lovers from near and far. Plan to spend a delightful day on a self-guided tour of a variety of gardens in Ridgewood and Glen Rock that reflect the unique personalities and properties of each homeowner.

The gardens this year promise to enchant and inspire you with unusual plant selections and combinations, creative garden and hardscape designs, and unusual ornamentation that reflect each homeowner's vision of their outdoor living objectives. You will see glorious flower beds and practical kitchen gardens, elegant entertaining areas as well as informal family living spaces, an appreciation of wildlife and nature with foot bridges and native plantings, fabulous water features, and even some forest bathing!

Whether you are a novice gardener or have years of experience, there is so much to enjoy on this Secret Gardens Tour including refreshments and our much loved Potting Shed with member plant sale.

For everyone's health and safety, masks are required and social distancing will be enforced

- Planting and maintaining public gardens at the Ridgewood Library, Van Neste Square, Habernickel Family Park and the Stable
- Holiday decorating in Van Neste Sq.
- GREEN KIDS, a youth educational program which meets to explore and discover nature, science, gardening and the environment
- Scholarship awards for Ridgewood High School Seniors

The Tour is organized by a team of volunteers from WGR, led by President Maria Gilosa and Tour Co-Chairs Jenny Given and Barbara Ferrante. All club members contribute to make this event a success. Volunteer docents will be on hand to guide visitors through the gardens.

Be sure to visit the garden beds at Van Neste Sq. along Ridgewood Ave that were planned, planted and are maintained by our club for the benefit of the community. We encourage you to enjoy lunch at one of the many fine Ridgewood restaurants nearby.
